Dear Industry Partners,

On behalf of the Association of Chinese Canadian Engineering Professionals and Technologists (ACCEPT), it is my pleasure to welcome you in joining the largest Chinese Canadian engineering and technology community in Canada. Firstly, I would like to thank you for allowing us the opportunity to present you with our sponsorship proposal for 2018.

ACCEPT was established in 2017 as the only not-for-profit association in Canada dedicated to serving the Chinese Canadian engineering and technology community. Our goals are to advocate the engineering profession to Chinese Canadians, to establish a network among Chinese Canadian engineering professionals and technologists, to aid skilled new immigrants working in the engineering and technology sector, to bolster inclusiveness in the engineering and technology sector, and to facilitate cross-cultural engagement.

The team members undertaking this initiative are comprised of seasoned professionals, young professionals, and highly motivated students who are dedicated to making history by bringing together practitioners from a variety of backgrounds and disciplines.

I sincerely appreciate your time reviewing our sponsorship proposal. We believe our sponsorship proposal will provide an exciting marketing opportunity for your organization and we would relish the opportunity to partner with you. We look forward to welcoming you in 2018 and beyond.

Sincerely,

Ivan Ma  
Director, VP Operations
